

# Honor Code for CS Graduate Students

Indiana State University

Department of Mathematics and Computer Science

Please sign and return to the CS Program Director.

Full Name (first middle last): \_\_\_\_\_

Id Number: \_\_\_\_\_

By signing this honor code, I agree that I have read the CS course policies that are at <http://cs.indstate.edu/info/policies.html> and have been given to me in hard copy. I agree to abide by all of the policies throughout my studies at ISU. Cheating and plagiarism are serious offenses which warrant an F in the course even for a single offense, and would likely result in dismissal from the program.

If I have any questions about the CS course policies, I will contact my instructor or the CS program director immediately.
